Jackie,

Thank you for the message. The meeting day/time conflicts with City of Folsom Planning Commission meetings so Dan Wolfe will be attending on behalf of the City. Please add Dan to the mailing list ([dwolfe@folsom.ca.us](mailto:dwolfe@folsom.ca.us)).

Thank you.

Dear Mr. Johnson:

Janis Heple is chairperson of the community driven Aerojet CAG. She has added you to her e-list to receive future meeting invites, and I have added your information to EPA's mailing database.

I wanted to personally invite you to the September 23, 2015 meeting that begins at 7pm at the Rancho Cordova Police Station, 2897 Kilgore Road, Rancho Cordova, CA. This is an alternate location for this meeting date only – usually the group meets every other month on the third Wednesday at City Hall.

I know you have an interest in the cleanup at Area 40 (Operable Unit 7). This subject is a concern of this group as well. If you are able to attend, it would be appreciate if you can share information about the City of Folsom's development plan as well. The group may have questions that only you can address.

Hoping to see there,

Jackie Lane
